Subject: RE: New grit bin - Great Casterton. Enq.: 11004805

Dear Derek

Thank you for your email.

The request for a new grit bin has been assessed and due to the proposed location being within 200m of an existing grit bin unfortunately, this location does not warrant the provision of a grit bin.

The grit bin that is within 200m of Burghley Close is situated on the right hand side of the entrance to High Crescent, Great Casterton.

Kind regards

Dear Donna

Are you able to confirm whether a decision has been made in respect of this new bin? I would like to report on it to our Zoom Parish Council meeting on Wednesday 13th. Jan'

Regards

Derek Patience
Parish Clerk

Dear Donna

Further to our email correspondence, I would like to formally apply for a salt bin to be installed in Burghley Close, Great Casterton, and am attaching a map showing the proposed location.

The entrance to the close is on a steep gradient creating access difficulties in icy weather, and residents have asked for a salt bin facility to ease this situation.

No doubt you will assess the proposal and advise your decision in due course. The Parish Council discussed the application at its meeting last week and approved the request. It understands that the cost of the provision of a bin will be met by the Parish Council.

Kind regards

Derek Patience
Parish Clerk

Dear Derek,

Thank you for your enquiry with respect to the above mention subject.

Please provide a map pin pointing the proposed location for the new grid bin. Once the proposed location has been received by Highways the request for a new grit bin will be subject to assessment. Also please note that grit bins will only be supplied on the public highway.

In the meantime please see below the 2020/2021 costing for providing a new grit bin:

Description	£
Supply x1 400 litre polythene grit bin [colour green]	148.50
Delivery of x1 grit bin	

	97.02
Sum Total	245.52
Highways 10% administration fee	24.56
Total	270.07

*The grit bin would be filled by RCC as part of the annual refill conducted by Highways

If a grit bin is provided, and subsequently damaged, the Parish Council will meet the cost of the replacement bin, if still required.

Kind regards
